When determined, the parties shall confirm in writing the exact Commencement Date, the date on which the term of this Lease commenced, the actual number of square feet of Rentable Space contained in the Premises and the rental herefor.

5. SECURITY DEPOSIT. *This section has been intentionally omitted.*

6. USES.

6.1 Permitted Uses. The Premises shall be used solely for general office purposes and for no other purpose without the prior written consent of Landlord. Tenant shall not do or suffer anything to be done in or about the Premises, nor shall Tenant bring or allow anything to be brought into the Premises, which will in any way increase the rate of any fire insurance or other insurance upon the Building or its contents, cause a cancellation of said insurance or otherwise affect said insurance in any manner. Tenant shall not do or suffer anything to be done in or about the Premises which will in any way obstruct or interfere with the rights of other occupants of the Building or injure or annoy said occupants, nor shall Tenant use or suffer the Premises to be used for any immoral, unlawful or objectionable purpose. In no event shall Tenant cause or suffer to be caused any nuisance in or about the Premises, and no loud-speakers or similar devices shall be used without the prior written approval of Landlord. Tenant further agrees not to commit or suffer to be committed any waste in or upon the Premises. The provisions of this paragraph are for the benefit of Landlord only and shall not be construed to be for the benefit of any tenant or occupant of the Building.

6.2 Compliance with Law. Tenant shall not do or suffer anything to be done in or about the Premises which will in any way conflict with any law, statute, ordinance or other governmental rule, regulation or requirement now in force or which may hereafter be enacted or promulgated. At its sole cost and expense, Tenant shall promptly comply with all said governmental measures and also with the requirements of any board of fire underwriters or other similar body now or hereafter constituted to deal with the condition, use or occupancy of the Premises, excluding structural changes not related to or affected by Tenant's alterations, additions or improvements. The judgment of any court of competent jurisdiction or the admission of Tenant in any judicial action, regardless of whether Landlord is a party thereto, that Tenant has violated any of the said governmental measures or requirements shall be conclusive of that fact as between Landlord and Tenant.

7. SERVICES AND UTILITIES.

7.1 Services Provided. Landlord shall pay for all water, heat, air conditioning, lighting, electricity and other utilities furnished to the Premises. Provided that Tenant is not in default under the terms and conditions of this Lease, and subject to the provisions elsewhere herein contained and to the rules and regulations of the Building, Landlord agrees to furnish the Premises with: (a) water and electricity suitable in Landlord's judgment for general office purposes,

including the operation of desktop office machines and ordinary copy machines; (b) heat and air conditioning during ordinary business hours of generally recognized business days (7 AM to 7 PM weekdays, but exclusive, in any event, of weekends and legal holidays) in an amount reasonably required in Landlord's judgment for the comfortable occupation of the Premises; and (c) daily janitorial service during the times and in the manner that such services are, in Landlord's judgment, customarily furnished in comparable office buildings in the downtown Lincoln area. Landlord shall be under no obligation to provide additional or after-hours heating or air conditioning, but if Landlord elects to provide such services at Tenant's request, Tenant shall pay to Landlord \$15.00 per hour, plus 2.5% annual increases. Tenant agrees to keep all draperies closed when desirable to conserve energy because of the sun's position and Tenant further agrees at all times to cooperate fully with Landlord and to abide by all the regulations and requirements which Landlord may prescribe from time to time for the proper functioning and protection of the heating, ventilating and air conditioning system(s).

7.2 Prohibited Installations. Without the prior written consent of Landlord, Tenant shall not: (a) install or use any apparatus or device in the Premises, including, without limitation, electronic data processing machines and punch card machines using electrical current in excess of 220 watts or 110 volts or which will in any way increase the amount of electricity, water, compressed air or other resource usually supplied for use of the Premises as general office space; or (b) connect any apparatus or device with electrical current (except through existing electrical outlets) or with water pipes or air pipes for the purpose of using additional electrical current or water or air. If Tenant shall require electricity, water, compressed air or any other resource in excess of that usually furnished to the Premises for use as general office space, Tenant shall first procure the consent of Landlord for such additional use, and Landlord shall have the right to withhold its consent or to cause a special meter to be installed in the Premises so as to measure the additional amount of the resource being consumed by Tenant. Tenant shall pay to Landlord the cost of any meters and their installation and maintenance, any additional cost incurred by Landlord in accounting for the resources consumed, and for the amount of the additional resources consumed at the rates charged by the local public utility or agency furnishing the same.

7.3 Heat Generating Equipment. Whenever heat generating machines or equipment (excluding office equipment such as personal computers or photocopy machines) or lighting other than Building standard lights are used in the Premises by Tenant which affect the temperature otherwise maintained by the air conditioning system, Landlord shall have the right to install supplementary air conditioning units in the Premises. The cost thereof, including installation, operating and maintenance, shall be paid by Tenant.

7.4 Interruption of Services. Landlord shall use reasonable efforts to remedy any interruption in the furnishing of services and utilities. However, Landlord shall not be liable for any failure to provide for any reduction in any of the above services or utilities if such failure or reduction is caused by the making of repairs or improvements to the Premises or to the Building, the installation of equipment, the elements, labor disturbances of any character, or any other accidents or conditions whatsoever beyond the reasonable control of Landlord, or rationing or restrictions on the use of said services and utilities due to energy shortages or other causes, whether or not any of the above result from acts or omissions of Landlord. Furthermore, Landlord shall be entitled to cooperate voluntarily in a reasonable manner with the efforts of national, state or local governmental bodies or utilities suppliers in reducing energy or other resources consumption.

7.5 Additional Rent. Any sums payable under this Section 7 shall be considered additional rent and may be added to any installment of rent thereafter becoming due, and Landlord shall have the same remedies for a default in payment of such sum as for a default in the payment of rent.

8. TAXES PAYABLE BY TENANT.

Tenant shall pay before delinquency any and all taxes levied or assessed and which become payable by Landlord or Tenant during the term of this Lease, whether or not now customary or within the contemplation of the parties hereto, which are based upon, measured by or otherwise calculated with respect to (a) the gross or net rental payable under this Lease, including, without limitation, any gross receipts tax levied by any taxing authority, or any other gross income tax or excise tax levied by any taxing authority with respect to the receipt of the rental payable hereunder; (b) the value of Tenant's equipment, furniture, fixtures or other personal property located in the Premises; (c) the possession, lease, operation, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises or any portion thereof; (d) the value of any leasehold improvements, alterations or additions made in or to the Premises, regardless of whether title to such improvements, alterations or additions shall be in Tenant or Landlord; or (e) this transaction or any document to which Tenant is a party creating or transferring an interest or an estate in the Premises. *If the Lessee or any Sub-Lessee is tax exempt in regard to the above-mentioned taxes, this paragraph shall be null and void.*

9. ALTERATIONS.

Tenant shall not make or suffer to be made any alterations, additions or improvements to the Premises or any part thereof which affect the structure of the Building, building services, the peaceful enjoyment of other occupants of the Building or otherwise affect space other than the Premises and shall not, without obtaining Landlord's prior written consent, make or suffer to be made any other alterations, additions or improvements to the Premises, including the attachment of any fixtures or equipment. When applying for such consent, Tenant shall, if requested by Landlord, furnish complete plans and specifications for such alterations, additions or improvements. All alterations, additions and improvements to the Premises shall, at Landlord's option, either (a) be made by Landlord for Tenant's account and, within (10) days from receipt of a written statement from Landlord, Tenant shall reimburse Landlord for all costs thereof, including without limitation a reasonable charge for Landlord's overhead expenses; or (b) be made by Tenant at Tenant's sole cost and expenses, and any contractor selected by Tenant to do such work must first be approved in writing by Landlord. All alterations, additions, fixtures and improvements, including without limitation all improvements made pursuant to Exhibit B attached hereto and incorporated herein by reference, whether temporary or permanent in character, made in or upon the Premises either by Landlord or Tenant, shall at once become part of the realty and belong to Landlord and, at the end of the term hereof, shall remain on the Premises without compensation of any kind to Tenant. *Any trade fixture, equipment or personal property installed in or attached to the Premises by or at the expense of the Tenant shall be and remain the property of the Tenant and Landlord agrees that Tenant shall have the right to remove any and all of its trade fixtures. Equipment and or other personal property which it may have stored or installed by or at the expense of the Landlord shall remain the property of the Landlord. Tenant agrees that it will at its expense, repair any damage occasioned to the Premises by reason of the removal of its trade fixtures, equipment and other personal property.*

10. REPAIR.

Landlord agrees to make all necessary repairs to the exterior walls, exterior doors, exterior windows, exterior corridor windows, and corridors of the Building. Landlord agrees to keep the exterior and interior Building housing the Premises in a safe, clean, neat and attractive condition. Landlord agrees to keep all Building equipment such as elevators, plumbing, heating, ventilating, air conditioning and similar equipment in good repair, but Landlord shall not be liable or responsible for breakdowns or temporary interruptions in service where reasonable efforts are used to restore service. Landlord agrees to make repairs, if necessary, to interior walls, floors, glass, and ceilings installed by Landlord and resulting from any defects in construction. Landlord agrees to make the original installation of all light bulbs, fluorescent and incandescent, and starters therefore which are required for the Premises at the inception of this Lease.

Tenant agrees that it will make all repairs to the Premises not required above to be made by Landlord and to do all redecorating, remodeling, alteration and painting required by it during the term of the lease and Tenant will pay for any repairs to the Premises or the Building containing the Premises made necessary by any negligence or carelessness of Tenant or its employees or persons permitted in the Building by Tenant and will maintain the leased Premises in a safe, clean, neat and sanitary condition. Tenant agrees to replace and pay for all light bulbs, fluorescent and incandescent, and starters therefore, as the same need to be replaced in the Premises during the term of this Lease. *The Lessee will pay the Lessor time, materials and disposal fees to change and dispose of light bulbs.*

11. DAMAGE BY FIRE OR CASUALTY.

If the premises are damaged by fire or other casualty such that the premises are made unfit for occupancy, and the damage has not been caused by the negligence of the Tenant, its employees or invitees, said lease shall immediately terminate and the Tenant shall pay rent only to the time of such termination. The portion of any advance lease payment which is attributed to the period of time after the lease has been terminated in the above manner, shall be refunded to the Tenant by the Landlord. If the damage is not of a permanent nature, the Landlord shall be responsible for repairing the same in a timely manner at the Landlord's own expense and the rental payments shall be suspended until said premises have been put in proper condition for occupancy.

12. LIENS.

Tenant shall not permit any mechanic's, materialmen's, or other liens to be asserted against the real property of which the Premises form a part nor against Tenant's leasehold interest in the Premises arising directly or indirectly from any act or activity of Tenant. Landlord shall have the right at all reasonable times to post and keep posted on the Premises any notices which it deems necessary for protection from such liens. If any such liens are filed, Landlord may, without waiving its rights and remedies based on such breach by Tenant and without releasing Tenant from any obligations, cause such liens to be released by any means

Landlord shall deem proper, including, without inquiring into the validity thereof, payment in satisfaction of the claim giving rise to such lien or the posting of a bond therefor. Tenant shall pay to Landlord at once, without notice or demand, any sum paid by Landlord to remove such liens, together with interest thereon from the date of payment at the Permitted Rate (as defined in Section 20.22 hereof).

13. INDEMNIFICATION. *The standard lease language has been intentionally omitted in its entirety, and the following inserted:*

To the fullest extent permitted by law, the Tenant shall indemnify, defend and Hold Harmless the Landlord, its officers, agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from the use of the Premises by the Tenant that results in any claim for damage whatsoever, including without limitation, any bodily injury, sickness, disease, death or any injury to or destruction of tangible or intangible property, including any loss of use resulting therefrom and that are caused in whole or in part by the intentional or negligent act or omission of the Tenant or anyone directly or indirectly employed by the Tenant or anyone for whose acts any of them may be liable. This section shall not require the Tenant to indemnify or Hold Harmless the Landlord for any losses, claims, damages and expenses arising out of or resulting from the negligence of the Landlord.

Similarly, to the fullest extent permitted by law, the Landlord shall indemnify, defend and Hold Harmless the Tenant its officers, agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorney's fees, arising out of or resulting from the use or maintenance of the Premises or Building by the Landlord that results in any claim for damage whatsoever, including without limitation, any bodily injury, sickness, disease, death or any injury to or destruction of tangible or intangible property, including any loss of use resulting therefrom, and that are caused in whole or in part by the intentional or negligent act or omission of the Landlord or anyone directly or indirectly employed by the Landlord or anyone for whose acts any of them may be liable. This section shall not require the Landlord to indemnify or Hold Harmless the Tenant for any losses, claims damages and expenses arising out of or resulting from the negligence of the Tenant.

14. INSURANCE.

14.1 Required Insurance. Tenant shall, at its sole cost and expense, procure, maintain and keep in force during the term of this Lease a policy or policies of comprehensive general liability insurance, including public liability and property damage, on an "occurrence basis" against claims for "personal injury" including without limitation bodily injury, death or property damage occurring on, in or about the Premises, or arising from or connected with the use, conduct or operation of Tenant's business or interest, in an amount of not less than \$1,000,000 with respect to personal injury or death of one or more persons and to damage to property. *The Landlord acknowledges that the Tenant, the City of Lincoln, a political subdivision in the State of Nebraska, is self insured for general liability and workers compensation.*

14.2 Waiver of Subrogation. Landlord and Tenant hereby waive and release any right that each may have against the other on account of any loss or damage arising in any manner which is covered by a policy of insurance that does not provide for loss of or reduction in insurance coverage on account of such waiver. The parties shall each cause their respective insurance companies to waive any rights or subrogation that such companies may have against Landlord or Tenant, as the case may be. All such policies of insurance shall contain, if obtainable, an endorsement or agreement by the insurer that any loss shall be payable in accordance with the terms of such policy notwithstanding any act or negligence of Tenant which might otherwise result in forfeiture of said insurance and the further agreement of the insurer waiving all right of setoff, counterclaim or deductions against Tenant and Landlord.

15. ASSIGNMENT, SUBLETTING AND RECAPTURE.

15.1 Landlord's Consent. Tenant shall not sell, assign, encumber or transfer by operation of law or otherwise this Lease or any interest herein, sublet the Premises or any part thereof, or suffer any other person to occupy or use the Premises or any portion thereof, without prior written consent of Landlord as provided herein, nor shall Tenant permit any lien to be placed on Tenant's interest by operation of law. Landlord's consent to the sale, assignment, encumbrance, subletting, occupation, lien or other transfer shall not release Tenant from any of Tenant's obligations hereunder or be deemed to be a consent to any subsequent occurrence. Any sale, assignment, encumbrance, subletting, occupation, lien or other transfer of this lease which does not comply with the provisions of this Section 15 shall be void.

15.2 Assignment by Operation of Law. For purposes of Section 15.1, each of the following acts shall be considered an assignment by operation of law;

15.2.1 If a Tenant is or becomes bankrupt or insolvent, makes an assignment for the benefit of creditors, or institutes a proceeding under the Bankruptcy Act in which Tenant is the bankrupt; or, if Tenant is a partnership or consists of more than one person or entity, if any partner of the partnership or other person or entity is or becomes bankrupt or insolvent, or makes an assignment for the benefit of creditors;

15.2.2 If a writ of attachment or execution is levied on this Lease; or

15.2.3 If, in any proceeding or action to which Tenant is a party, a receiver is appointed with authority to take possession of the Premises. An assignment by operation of law shall constitute a default by Tenant and Landlord shall have the right to elect to terminate this Lease, in which case this Lease shall not be treated as an asset of Tenant. If a writ of attachment or execution is levied on this Lease, Tenant shall have ten (10) days in which to cause the attachment or execution to be removed. If any involuntary proceeding in bankruptcy is brought against Tenant, or if a receiver is appointed, Tenant shall have thirty (30) days in which to have the involuntary proceeding dismissed or the receiver removed.

15.3 Recapture. Tenant shall, by written notice, advise Landlord of its desire from and after a stated date (which shall not be less than thirty (30) days or more than ninety (90) days after the date of Tenant's notice), to sell or assign all or any portion of Tenant's interest in this Lease, or to sublet or otherwise transfer the Premises or any portion thereof for all or any part of the term hereof. In such event Landlord shall have the right, to be exercised by giving written notice to Tenant no more than ten (10) days after receipt of Tenant's notice to accept or refuse the sublease. Said notice by Tenant shall state the name and address of the proposed subtenant, assignee or transferee, as the case may be, and shall be accompanied by a true and complete copy of the proposed sublease, assignment or other instrument of transfer, as the case may be, with said notice this Lease as so amended shall continue thereafter in full force and effect.

15.4 No Release from Liability. Any subletting, assignment or other transfer hereunder by Tenant shall not result in Tenant being released or discharged from any liability under this Lease. As a condition to Landlord's prior written consent as provided for in this Section 15, the subtenant, assignment or transferee shall agree in writing to comply with and be bound by all of the terms, covenants, conditions, provisions and agreements of this Lease, and Tenant shall deliver to Landlord, promptly after execution, an executed copy of each sublease, assignment or other instrument of transfer and an agreement of said compliance by each sublease, assignee or transferee. *The Tenant may be released from liability under an assignment of the Lease, provided the Landlord has consented to such assignment in advance.*

16. DEFAULT; REMEDIES.

16.1 Events of Default. The occurrence of any of the following shall constitute a material default and breach of this Lease by Tenant ("Event of Default"):

16.1.1 Any failure by Tenant to pay the Basic Monthly rental or to make any other payment when and as required to be made by Tenant hereunder.

16.1.2 The abandonment or vacation of the Premises by Tenant for a period exceeding thirty (30) days.

16.1.3 Any failure by Tenant to observe and perform any other provisions of this Lease to be observed or performed by Tenant, where such failure continues for ten (10) days after written notice thereof by Landlord to Tenant; provided, however, that if the nature of such default is such that the same cannot reasonably be cured within such ten (10) day period. Tenant shall not be deemed to be in default if Tenant shall within such period commence such cure and thereafter diligently prosecute the same to completion.

16.1.4 The failure by Tenant on three (3) or more occasions to pay the Basic Monthly Rental or to make any other payment as and when due or to observe and perform any other provision of this Lease where, because of such failure, Landlord shall have initiated eviction proceedings, by which term the parties refer to the giving or serving of any notice or other condition precedent to the bringing of an action to evict Tenant. This default shall not be curable.

16.2 Damages upon Termination. Upon the occurrence of an event of Default, then in addition to any other remedies available to Landlord at law or in equity, Landlord shall have the immediate option to terminate this lease and all rights of Tenant hereunder by giving ten (10) days written notice of such intention to terminate. In the event that Landlord shall elect to so terminate this Lease, Landlord shall be entitled to recover from Tenant.

In the event Tenant fails to pay any rental due hereunder or fails to keep and perform any of the other terms or conditions hereof, time being of the essence, then ten (10) days after written notice of default from Landlord, the Landlord may, if such default has not been corrected, resort to any and all legal remedies or combination of remedies which Landlord may desire to assert, including but not limited to one or more of the following: (1) declare the lease at an end and terminated; (2) sue for the rent due and to become due under the lease and for any damages sustained by Landlord and (3) continue the lease in effect and relet the premises on such terms and conditions as Landlord may deem advisable with Tenant remaining liable for the monthly rent plus the reasonable cost of obtaining possession of the premises and of any repairs and alterations necessary to prepare the premises for reletting, less the rentals received from such reletting, if any. No action by Landlord shall be construed as an election to terminate the lease unless written notice of such intention be given to Tenant.

16.2.1 In the event Landlord's remedies are pursued at law, Tenant hereby waives its right to a trial by jury if such legislation is applicable to commercial disputes and defaults.

16.3 Reentry by Landlord. In the event of any such default by Tenant, Landlord shall also have the right, if terminating this Lease, to reenter the Premises and remove all persons and property from the Premises; such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of the Tenant.

16.4 Recovery of Rental. In the event of any such default by Tenant, if Landlord shall elect not to terminate this Lease as provided in Section 16.2 above, Landlord may from time to time, without terminating this Lease, recover all rental as it becomes due.

16.5 Reentry and Reletting. No reentry or taking possession of the Premises by Landlord pursuant to Section 16.3 or 16.4 above shall be construed as an election to terminate this Lease unless a written notice of such intention be given to Tenant or unless the termination thereof be decreed by a court of competent jurisdiction. Notwithstanding a reletting without termination by Landlord because of any default by Tenant, Landlord may at any time after such reletting elect to terminate this Lease for any such default.

16.6 Events of Default by Landlord. In case Landlord, after written notice from the Tenant indicating the Landlord has failed to comply with any requirements of this lease in regard to a specified condition, shall fail, refuse, or neglect to comply therewith, within thirty (30) days or in the event of an emergency constituting a hazard to the health or safety of the Tenant's employees, property or invitees, the Tenant may resort to any and all legal remedies or combination of remedies which Tenant may desire to assert, including but not limited to one or both of the following: (1) declare the lease at an end and terminated within a period of time as determined by the Tenant; (2) perform such maintenance or repair at its own cost and, in addition to any other remedy the Tenant may have, may deduct the amount thereof from the rent that may then be or thereafter become due hereunder.

17. EMINENT DOMAIN.

If more than thirty-five percent (35%) of the floor area of the Premises shall be taken or appropriated under the power of eminent domain or conveyed in lieu thereof, either party shall have the right to terminate this Lease at its option. If any part of the Building, whether or not the Premises are included, or any part of the land on which the Building is located, or any interest in either of them, shall be taken or appropriated under the power of eminent domain or conveyed in lieu thereof, Landlord may terminate this Lease at its option. In either of such events, Landlord shall receive (and Tenant shall assign to Landlord upon demand from Landlord) any income, rent, award or any interest therein which may be paid in connection with the exercise of such power of eminent domain, and Tenant shall have no claim against Landlord for any part of any sum paid by virtue of such proceedings, whether or not attributable to the value of the unexpired term of this Lease. If a part of the Premises shall be so taken or appropriated or conveyed and neither party hereto shall elect to terminate this lease and the Premises have been damaged as a consequence of such partial taking or appropriation or conveyance, Landlord shall, to the extent of the net award received by Landlord, restore the remaining part of the Premises at Landlord's cost and expense; provided, however, that Landlord shall not be required to repair or restore any injury or damage to the property of Tenant or to make any repairs or restorations of any alterations, additions, fixtures, or improvements installed on the Premises by or at the expense of Tenant. Thereafter, the rent to be paid under this Lease for the remainder of its term shall be proportionately reduced, such reduction to be based upon the ratio of floor area taken to the total floor area of the Premises.

18. HOLDING OVER.

18.1 With Landlord's Consent. Any holding over after the expiration of the term of this Lease with the prior written consent of Landlord shall be a tenancy from month to month. The terms, covenants and conditions of such tenancy shall be the same as provided herein, except that the Basic Monthly Rental shall be one-hundred fifty percent (150%) of the basic Monthly Rental in effect on the date of such expiration, subject to adjustment as provided in Section 4 herein. Acceptance by Landlord of rent after such expiration shall not result in any other tenancy or any renewal of the term of this Lease, and the provision of this Section 18 are in addition to and do not affect Landlord's right of reentry or other rights provided under this Lease or by applicable law.

18.2 Without Landlord's Consent. If Tenant, without Landlord's prior written consent, shall retain possession of the Premises or any part thereof following the expiration or sooner termination of this Lease for any reason, then Tenant shall be guilty of unlawful detainer, and the acceptance of rent by Landlord shall not convert such unlawful detainer into a valid month-to-month or other tenancy, and nothing contained in this Section 18 shall waive Landlord's right of reentry or any other right. In the event of such unlawful detainer, Tenant agrees that Landlord shall have suffered damages for each day of such retention in an amount equal to at least six and sixty-seven one hundredths percent (6.67%) of the amount of the Basic Monthly Rental in effect for the last month prior to the date of such expiration or termination, but such agreement shall not limit Landlord in its proof of additional damages. Further, in the event of such unlawful detainer, Tenant shall also indemnify and hold Landlord harmless from any loss or liability resulting from delay by Tenant in surrendering the Premises, including, without limitation, any claims made by any succeeding Tenant or purchaser of the Building founded on such delay. Alternatively, if Landlord gives notice to Tenant of Landlord's election thereof, such holding over shall constitute a renewal of this Lease for a period from month-to-month or for one year, whichever shall be specified in such notice.

19. SUBORDINATION.

Without the necessity of any additional document being executed by Tenant for the purpose of effecting a subordination, this Lease shall be subject and subordinate at all times to: (a) all ground leases or underlying leases which may now exist or hereafter be executed affecting the Building or the land upon which the Building is situated or both, and (b) the lien of any mortgage or deed of trust which may now exist or hereafter be executed in any amount for which said Building, land, ground leases or underlying leases, or any part thereof, or Landlord's interest or estate in any of said items, is specified as security. Notwithstanding the foregoing, Landlord shall have the right to subordinate or cause to be subordinated any such ground leases or underlying leases or any such liens to this Lease. In the event that any ground lease or underlying lease terminates for any reason or any mortgage or deed of trust is foreclosed or a conveyance in lieu of foreclosure is made for any reason, Tenant shall, notwithstanding any subordination, attorn to and become the Tenant of the successor in interest to Landlord, at the option of such successor in interest. Tenant covenants and agrees to execute and deliver, upon demand by Landlord and in the form requested by Landlord, any additional documents evidencing or further affecting the priority or subordination of this Lease with respect to any such ground lease or underlying leases of the lien of any such mortgage or deed of trust, Tenant hereby irrevocably appoints Landlord as attorney-in-fact of Tenant to execute, deliver and record any such documents in the name of and on behalf of Tenant.

20. MISCELLANEOUS.

20.1 Rules and Regulations. Tenant shall faithfully comply with the rules and regulations set forth in Exhibit C attached hereto and incorporated herein by reference, together with all modifications and additions thereto adopted by Landlord from time to time in writing. Landlord shall not be responsible for the nonperformance by any other tenant or occupant of the Building of any of said rules and regulations.

20.2 Landlord's Reserved Rights. Landlord, for itself and its representative, may enter upon the Premises and exercise the following rights without notice and without liability to Tenant for damage or injury to property, person or business and without affecting an eviction or disturbance of Tenant's use or possession or giving rise to any claim for set-off or abatement of rent:

- (a) To change the name or street address of the Building.
- (b) To install and maintain signs on the exterior of the Building.
- (c) To have access to all mail chutes according to the rules of the United States Post Office Department.
- (d) At any reasonable time or times, to decorate, and to make at its own expense repairs, alterations, additions and improvements, structural or otherwise, in or to the Premises, the Building or part thereof, and any adjacent building, land, street, alley, and during such operations to take into and through the Premises or any part of the Building all materials required, and to temporarily close or suspend operation of entrances, doors, corridors, elevators or other facilities.
- (e) To have pass keys to the Premises.
- (f) To designate all sources furnishing sign manufacturing, painting and lettering on the Premises.
- (g) To exhibit the Premises to others at reasonable times upon reasonable notice.
- (h) To take any and all reasonable measures, including inspections or the making of repairs, alterations, additions, and improvements to the Premises or to the Building necessary or desirable for the safety, protection, operation or preservation of the Premises or the Building.

Provided, however, if the Premises are rendered wholly or partially untenantable by Landlord's exercise of any or all of the foregoing rights, the rent herein reserved shall be abated in proportion to the part of the Premises which becomes untenantable.

20.3 Landlord's Right to Cure Default. All covenants and agreements to be kept or performed by Tenant under the terms of this Lease shall be performed by Tenant at Tenant's sole cost and expense and without any reduction of rent. If Tenant shall be in default on its obligations under this Lease to pay any sum of money other than rental or to perform any other act hereunder, and if such default is not cured within the applicable grace period provided in Section 16.1 hereof, if any, Landlord may, but shall not be obligated to, make any such payment or perform any such act on Tenant's part without waiving its right based upon any default of Tenant and without releasing Tenant from any obligations hereunder. All sums so paid by Landlord and all incidental costs, together with interest thereon at the Permitted Rate from the date of such payment or the incurrence of such cost by Landlord, whichever occurs first, shall be paid to Landlord on demand. In the event of nonpayment by Tenant, Landlord shall have, in addition to any other rights or remedies hereunder, the same rights and remedies as in the case of default by Tenant for nonpayment of rent.

20.4 Surrender of Premises. A voluntary surrender or other surrender of this Lease by Tenant or the mutual cancellation of the Lease shall not work a merger. At the option of Landlord, however, any surrender or mutual cancellation of this Lease may terminate any existing sublease or subtenancies or may operate as an assignment to Landlord of any such sublease or subtenancies.

20.5 Sale by Landlord. In the event that Landlord sells or conveys the Premises, Landlord shall be released from any liability arising thereafter based upon any of the terms, covenants, or conditions, express or implied, contained in this Lease. In such event, Tenant agrees to look solely to Landlord's successor in interest for any liability under this Lease. If any security has been given by Tenant to secure the faithful performance of any of the covenants of this Lease, Landlord may retain said security with Landlord's successor becoming responsible to Tenant for said security or may transfer or deliver said security to Landlord's successor in interest and, in either event, Landlord shall be discharged from any further liability with regard to said security. Except as set forth in this paragraph, this Lease shall not be affected by any sale or conveyance of the Premises by Landlord, and Tenant agrees to attorn to Landlord's successor in interest.

20.6 Estoppel Certificate. Within ten (10) days following any written request which Landlord may make from time to time, Tenant shall execute and deliver to Landlord a statement certifying: (a) the Commencement Date of this Lease, (b) the fact that this Lease is unmodified and in full force and effect (or, if there have been modifications thereto, that this Lease is in full force and effect, as modified, and stating the date and nature of such modifications), (c) the date to which the rent and other sums payable under this Lease have been paid, (d) the fact that there are no current defaults under this Lease by either Landlord or Tenant except as specified in Tenant's statement, and (e) such other matters as may be requested by Landlord. Landlord and Tenant intend that any statement delivered pursuant to this paragraph may be relied upon by any mortgagee, beneficiary, purchaser or prospective purchaser of the Building or any interest therein.

20.7 Light and Air. Tenant covenants and agrees that no diminution of light, air or view by any structure which may hereafter be erected (whether or not by Landlord) shall entitle Tenant to any reduction of rent under this Lease, result in any liability of Landlord to Tenant, or in any other way affect this Lease.

20.8 Late Charge. Tenant recognizes that late payment of any rent or other sum due hereunder from Tenant to Landlord will result in administrative expense and loss of interest to Landlord, the extent of which additional expense and loss of interest is extremely difficult and economically impractical to ascertain. Tenant therefore agrees that if rent or any other payment due hereunder from Tenant to Landlord remains unpaid ten (10) days after said amount is due, the amount of such unpaid rent or other payment shall be increased by a late charge to be paid Landlord by Tenant in an amount equal to the greater of Fifty and No/100 Dollars (\$50.00) or four percent (4%) of the amount not timely paid. Tenant agrees that such amount is a reasonable estimate of such loss and expense and may be charged by Landlord to defray such loss and expense. The amount of the late charge to be paid Landlord by Tenant on any unpaid rent or other payment shall be reassessed and added to Tenant's obligation for each successive monthly period accruing after the date of which the late charge is initially imposed. The provisions of this section in no way relieve Tenant of the obligation to pay rent or other payments on or before the date on which they are due, nor do the terms of this section in any way affect Landlord's remedies pursuant to Section 16 of this Lease in the event said rent or other payment is unpaid after the date due.

20.9 Waiver. If either Landlord or Tenant waives the performance of any term, covenant or condition contained in this Lease, such waiver shall not be deemed to be a waiver of the term, covenant or condition itself or a waiver of any subsequent breach of the same or any other term, covenant or condition contained herein. Furthermore, the acceptance of rent by Landlord shall not constitute a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, regardless of Landlord's knowledge of such preceding breach at the time Landlord accepted such rent. Failure by Landlord to enforce any of the terms, covenants or conditions of this Lease for any length of time shall not be deemed to waive or to decrease the right of Landlord to insist thereafter upon strict performance by Tenant. Waiver by Landlord of any term, covenant or condition contained in this Lease may only be made by a written document signed by Landlord.

20.10 Attorney's Fees. In the event that any action or proceeding is brought to enforce any term, covenant or condition in this Lease on the part of Landlord or Tenant, the prevailing party in such litigation shall be entitled to reasonable attorney's fees, if permitted by the Nebraska Statutes, in amount to be fixed by the court in such action or proceeding.

20.11 Notices. All notices and demands which are required or permitted to be given by either party to the other under this Lease shall be written and shall be delivered personally or sent by certified or registered mail, postage prepaid, addressed, in the case of Tenant, to the Premises, or to such other places as Tenant may from time to time designate by written notice, and in the case of Landlord, addressed to Landlord at Suite 636, 1033 "Q" Street, Lincoln, Nebraska, 68508, or to such other place as Landlord may from time to time designate by written notice. All such notices and demands sent by mail shall be presumed to have been received by the addressee three (3) days after posting in the United States mail.

20.13 **Defined Terms and Headings.** The words "Landlord" and "Tenant" as used herein shall include the plural as well as the singular. Words used in masculine gender include the feminine and neuter, where applicable. If there is more than one Tenant, the obligations imposed under this Lease upon Tenant shall be joint and several. The headings and titles to the sections and subsections of this Lease are used for convenience only and shall have no effect upon the construction or interpretation of the Lease.

20.14 **Time.** Time is of the essence of this Lease and all of its provisions. If, however, the date of which any act or occurrence required or permitted to occur herein, or if the last day upon which any condition may be satisfied, shall be a Saturday, Sunday or legal holiday, such day or date shall be deemed to have been set for the next immediately following such Saturday, Sunday or legal holiday.

20.15 **Successors and Assigns.** Subject to the provisions of Section 15 hereof, the terms, covenants and conditions contained herein shall be binding upon and inure to the benefit of the heirs, successors, executors, administrators and assigns of the parties hereto.

20.16 **Entire Agreement.** This Lease, together with its exhibits, contains all of the agreements of the parties hereto and supersedes any prior or contemporaneous negotiations or agreements. There have been no representations made by Landlord or its agents or understandings made between the parties other than those set forth in this Lease and its exhibits. This Lease may not be modified except by an instrument executed by the party to be charged.

20.17 **Severability.** The invalidity of any provision of this Lease as determined by a court of competent jurisdiction shall in no way affect the validity of any other provision hereof.

20.18 **Representations.** If Tenant is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that he is duly authorized in accordance with a duly adopted resolution of the Board of Directors of said corporation or in accordance with the Bylaws of said corporation, that this Lease is binding upon said corporation in accordance with its terms. If Tenant is a corporation, it shall, within fourteen (14) days after execution of this Lease, deliver to Landlord a certified copy of a resolution of the Board of Directors of said corporation authorizing or ratifying the execution of this Lease.

20.19 **Applicable Law.** This Lease shall in all respects be governed by the laws of the State of Nebraska.

20.20 **Rentable Space.** The Rentable Space of the Premises and other areas shall be measured in accordance with the American Standard Method of floor Measurement for Office Buildings as revised and approved on August 14, 1972, by the Building Owners and Managers Association International.

20.21 **Tenant's Percentage.** The Tenant's Percentage set forth in Section 1.7 above shall be equal to the ratio that the Rentable Space contained in the Premises bears to the total Rentable Space for the Building.

20.22 **Permitted Rate.** As used herein, the term "Permitted Rate" shall mean the interest rate that is equal to sixteen percent (16%) per annum, but if the maximum lawful rate of interest that may be charged by Landlord shall be ascertainable and shall be less than sixteen percent (16%) per annum, the term "Permitted Rate" shall mean the rate of interest that is equal to such maximum lawful rate of interest.

21. ADDITIONAL PROVISIONS

21.1 **Sub Leasing.** Lessee shall not assign this Lease without the written consent of the Lessor, but shall, in any event, have the right to sublet the Premises to any party or governmental subdivision with the approval of the Lessor. Lessee shall submit in writing a request to sublet said Premises to Lessor. Lessor agrees to respond to said request within ten (10) days from receiving said request. Any Sub Lessee of the City of Lincoln must agree to abide by all of the terms and provisions of this Lease. Should the rental rate of a Sub Lessee of the City amount to a rental rate above the rates specified on the attached monthly rent schedule, Lessee agrees that 50% of the rate above the rental rate will be provided to Lessor.

21.2 **Parking.** One parking stall and a parking validation system for clientele and visitors will be provided by Lessor. The Lessor agrees to pay up to \$1,000.00 per month for Lessee's parking. Any excess will be billed by the Lessor to the Lessee.

22. TERMINATION

22.1 If no appropriated funds are available to the Lessee for the purpose of paying rentals on the Premises, this Lease shall terminate at the election in writing of either party hereto. If any Mayor's budget or Governor's budget message is such that it does not include funds to pay rentals hereunder, notice of such fact shall be given promptly to Lessor, and if at any time it appears that appropriations will be depleted in the future, or not available for rentals hereunder, notice of such fact and the estimated date of depletions shall be given promptly to Lessor. If only a portion of the funds necessary to pay the rentals hereunder are appropriated, the Lease may be kept in force with a prorata share of the space and corresponding rental decreased. Any such reduction shall be agreed upon by both parties. In any event, termination under this section shall not be considered a default or breach by the Tenant under Section 16 or as otherwise provided in the Lease.

23. APPROVAL

23.1 All parties acknowledge that signature on behalf of the City of Lincoln is conditional upon the approval of the Lincoln City Council of Lincoln, Nebraska.

IN WITNESS WHEREOF, Landlord and Tenant have executed this Lease as of the date first above written.

OFFICE LEASE RULES & REGULATIONS

1. No sign, placard, picture, advertisement, name or notice shall be installed or displayed on any part of the outside or inside of the Building without the prior written consent of the Landlord. Landlord shall have the right to remove, at Tenant's expense and without notice, any sign installed or displayed in violation of this rule. All approved signs or lettering on doors and walls shall be printed, painted, affixed or inscribed at the expense of Tenant by a person chosen by Landlord.
2. Any curtain, blinds, shades or screens attached to or hung in or used in connection with any window or door of the Premises must be first approved by the Landlord and the Landlord shall furnish guidelines for the color, texture and fabric of such items. No awning shall be permitted on any part of the Premises. Landlord shall have the right to remove, at Tenant's expense and without notice, any such items installed in violation of this rule. Tenant shall not place anything against glass partitions or doors or windows, which may appear unsightly from outside the Premises. All first floor exterior windows of occupied tenant spaces will have off white vertical blinds installed on them. This will help to conserve energy and provide a uniform appearance from the building exterior. Any first or second floor interior window within tenant spaces, which abuts directly against the common area corridors shall have off white vertical blinds installed on them. This will provide a uniform appearance from the common area. Any side light window on an occupied suite entry way on first or second floor shall have off white horizontal mini blinds installed on them. All blinds are to be installed at the Tenant's expense.
3. Tenant shall not obstruct any sidewalks, halls, passages, exits, entrances, elevators, escalators or stairways of the Building. The halls, passages, exits, entrances, shopping malls, elevators, escalators, and stairways are not for the general public, and Landlord shall in all cases retain the right to control and prevent access thereto of all persons whose presence in the judgment of Landlord would be prejudicial to the safety, character, reputation and interest of the Building and its Tenants, provided that nothing herein contained shall be construed to prevent such access to persons with whom any Tenant normally deals in the ordinary course of its business, unless such persons are engaged in illegal, immoral or unsafe activities. No Tenant and no employee or invitee of any Tenant shall go upon the roof of the Building.
4. The directory of the Building will be provided exclusively for the display of the name and location of Tenants only and Landlord reserves the right to exclude any other name therefrom.
5. All cleaning and janitorial services for the Building and the Premises shall be provided exclusively through Landlord, and, except with the written consent of Landlord, no person or persons other than those approved by Landlord shall be employed by Tenant or permitted to enter the Building for the purpose of cleaning the same. Tenant shall not cause unnecessary labor by carelessness or indifference to the good order and cleanliness of the Premises and the Building.
6. Landlord shall not in any way be responsible to any Tenant for any loss of property on the Premises, however occurring, or for any damage to any Tenant's property by the janitor or any other employee or any other person.
7. Landlord will furnish Tenant free of charge with two keys to each door lock in the Premises. Landlord may make a reasonable charge, for any additional keys, and Tenant shall not alter any lock or install a new or additional lock or bolt on any door of its Premises. Tenant, upon the termination of its tenancy, shall deliver to Landlord the keys to all doors which have been furnished to Tenant and all duplicates thereof, and in the event of loss of any keys so furnished, shall pay Landlord therefor.
8. If Tenant requires telegraphic, telephonic, burglar alarm or similar services, it shall first obtain, and comply with Landlord's instructions in their installation.
9. The freight elevator shall be available for use by all Tenants in the Building, subject to such reasonable scheduling as Landlord in its discretion shall deem appropriate and no equipment, materials, furniture, packages, supplies, merchandise or other property will be received in the Building or carried in the elevators except between such hours and in such elevators as may be designated by Landlord.
10. Tenant shall not place a load upon any floor of the Premises, which exceeds the load per square foot which such floor was designed to carry and which is allowed by law. Landlord shall have the right to prescribe the weight, size and position of all equipment, materials, furniture or other property brought into the Building. Heavy objects shall, if considered necessary by Tenant, stand on such platforms as determined by Landlord to be necessary to properly distribute the weight. Business machines and mechanical equipment belonging to Tenant which cause noise or vibration that may be transmitted to the structure of the Building or to any space therein to such a degree as to be objectionable to Landlord or to any Tenants in the Building shall be placed and maintained by Tenant, at Tenant's expense, on vibration eliminators or other devices sufficient to eliminate noise or vibrations. The persons employed to move such equipment or other property from any case, and all damage done to the Building by maintaining or moving such equipment or other property shall be repaired at the expense of Tenant.
11. Tenant shall not use or keep in the Premises any kerosene, gasoline or inflammable or combustible fluid or material other than limited quantities necessary for the operation or maintenance of office equipment. Tenant shall not use or permit to be used in the Premises any foul or noxious gas or substance, or permit or allow the Premises to be occupied or used in a manner offensive or objectionable to Landlord or other occupants of the Building by reason of noise, odors, or vibrations, nor shall Tenant bring into or keep about the Premises any birds or animals.
12. Tenant shall not use any method of heating or air conditioning other than that supplied by Landlord.
13. Tenant shall not waste electricity, water or air conditioning and agrees to cooperate fully with Landlord to assure the most effective operation of the Building's heating and air conditioning, and shall refrain from attempting to adjust any controls other than room thermostats installed for Tenant's use. Tenant shall keep corridor doors closed.
14. Landlord reserves the right, exercisable without liability to Tenant, to change the name and street address of the Building.
15.
